Angela Wolf Pattern Collection™

How to Print a Digital Pattern in PDF Format

All Angela Wolf digital patterns are in PDF format to download and print at home on A4 or Letter size paper. Download the file you would like to print: **Letter** or **A4** to your computer. You will need Acrobat Reader to print.

- ✓ Print the file in size **Letter** or **A4**. Before start to print, remember to select **100%** or **"Actual Size"** as scale of the page, otherwise pattern will be altered. You can check the **"scale box"** located on the pattern.
- ✓ Layout all the printed pages, referring to the label on each sheet (1a, 1b, 1c, 2a, 2b, 2c, 3a, etc….) lining up the pages according to row (numbers) and columns (letters).
- ✓ The red dotted lines make an easy way to line up each sheet of paper. Simply match the red dotted lines with coordinating sheets and tape the pages together.
- ✓ Trace or cut the pattern in the size needed.

This PDf can be printed as many times as needed. If you change sizes down the road, simply print a new pattern and cut a new size ☺

Contact us at info@angelawolfpatterns.com if you would like a full page layout that can be printed out on one long sheet at an office supply store.

Visit my blog for sewing tips, sewing tutorials, sew-a-longs and more! Also, don't forget to sign up for my newsletter for special deals and announcements of exciting events coming up.

Thanks so much for sewing my pattern!

Cheers ☺
