## **NEW BROTHER™ MONOCHROME LASER PRINTER AND ALL-IN-ONE MODELS TO SUPPORT AIRPRINT**

**BRIDGEWATER, N.J. (June 5, 2012)** – Brother International Corporation, a leader in products for small offices, today announced it has launched a line of monochrome laser printer and all-in-one products that support AirPrint. AirPrint allows users to wirelessly print from their Apple iPad, iPhone, and iPod touch without having to install a printer driver<sup>1</sup>. The supported models include the HL-5450DN, HL-5470DW/T, HL-6180DW/T, MFC-8710DW, MFC-8910DW and MFC-8950DW/T.

This is the first time Brother will support AirPrint on its laser product line. AirPrint is a convenient feature for busy small business owners, on-the-go executives and professionals who need the flexibility to print on demand from their mobile device.

### **About Brother**

Brother International Corporation is one of the premier providers of products for the home, home office and office. The U.S. corporate office in Bridgewater, N. J., was established on April 21, 1954 and currently markets many industrial products, home appliances and business products manufactured by its parent company, Brother Industries, Ltd. of Nagoya, Japan.

These products include an award-winning line of Multi-Function Center<sup>®</sup> machines and printers. Brother also provides the number-one line of facsimile machines in the U.S. and is the leader in electronic labeling, with its full line of P-touch<sup>®</sup> Electronic Labeling Systems. For more information you can visit the website at [www.brother.com](http://www.brother.com).

EDITOR'S NOTE: Photography available upon request.
