

1. PACK

Reuse the shipping box from your new Brother toner cartridge to package and send back your used toner cartridge.

2. PRINT

Click on Create Free Shipping Label button to create a Newgistics USPS SmartLabel® for shipping!

[Log in](#) to your Brother Account to retrieve your customer information and save time in creating your SmartLabel®

or [Create a new account](#).

Note: This return address information is required by the U.S. Postal Service for all packages.

Press the "Continue" button below the contact form, label will appear immediately on the page to print and the link will be emailed to you for use later

3. SHIP

Print and attach the SmartLabel® to your package so it is clearly visible by any mail carriers and drop off the return anywhere in the U.S. Postal Service mail system.

No additional postage or insurance is needed -- this shipment is pre-paid by Brother.
