Overview

The Innov-is 950D computerized sewing and embroidery machine offers all the standard features you'd expect, plus advanced extras that make it the ideal machine for hobbyists of all skill levels. A built-in USB port allows you to easily import designs from your USB

memory stick, expanding your design capabilities beyond the generous 105 built-in embroidery designs, including 35 of which feature Disney characters. Take advantage of the 168 built-in sewing stitches, or make your own with the Brother™ exclusive

My Custom Stitch™ feature! Whether monogramming specialty items with the built-in monogramming font or embellishing crafts with the six built-in embroidery lettering fonts, your creativity has no limits when you use the affordable, easy-to-use Innov-is 950D!
