MFC-L9550CDW

Color Laser All-in-One with Low Cost Printing and Advanced Scanning Capabilities

The Brother™ MFC-L9550CDW is ideal for mid-sized workgroups looking for a color laser all-in-one to provide easily-managed, low-cost printing in demanding, multi-user applications. It boasts a low color cost per page that's up to 50% less than comparable color laser models*. Automatic duplex printing helps reduce paper use, plus automatic single-pass duplex copying and scanning. Enterprise-level security includes Secure Function Lock to administer color print controls and other machine features for up to 100 users, Active Directory (using LDAP) to provide network user authentication, and an NFC card reader^ that can be used to authorize access to the device. The MFC-L9550CDW incorporates the Brother Solutions Interface to help administrators create a company-wide print strategy that works with existing applications to implement rules-based printing and document management, as well as aid in cost recovery.

Specifications:

Print Technology	Color Laser
LCD Display (type/size)	4.85" Color Touchscreen
Paper Size	Paper Tray: Up to 8.5" x 14" (legal) Multi-Purpose Tray: 3.0" - 8.5" (W) / 5.0"-14" (L)
