HL-5040 Personal Laser Printer

The HL-5040 laser printer is the ideal printer for your office at work or your office at home.

Succeeding the award-winning HL-1440, it offers fast print speed, PCL® 6 emulation, graphics quality print resolution, convenient paper handling, and the option to add memory, a 2nd lower paper tray and network connectivity.

Building on a tradition of excellent customer value, the new HL-5040 delivers the performance users have come to expect from Brother laser printers.
