1. Microsoft<sup>®</sup> Internet Explorer 5 or greater.
2. Maximum 1200 x 1200 dpi scanning with Windows<sup>®</sup> XP and Windows Vista<sup>™</sup> (resolutions up to 9600x9600 dpi can be selected using the Brother Scanner Utility).
3. Dedicated "Scan" key functions only in Mac OS<sup>®</sup> X 10.2.4 or greater.
4. PC Fax send only for network users.
5. Network scanning not supported in Windows NT Workstation 4.0
6. Third party USB ports are not supported.

## MFC-7820N Minimum System Requirements

| Computer Platform & Operating System |                                            | Processor Speed                                                  | Minimum RAM | Recommended RAM | Hard Disk Space (For Drivers) |
|--------------------------------------|--------------------------------------------|------------------------------------------------------------------|-------------|-----------------|-------------------------------|
| Windows <sup>®</sup> 1               | Windows <sup>®</sup> 98, 98SE              | Pentium II<br>or<br>equivalent                                   | 32MB        | 64MB            | 90MB                          |
|                                      | Windows <sup>®</sup> Me                    |                                                                  | 32MB        | 64MB            | 90MB                          |
|                                      | Windows NT <sup>®</sup><br>Workstation 4.0 |                                                                  | 64MB        | 128MB           | 90MB                          |
