LIMITED EDITION FAMILY OF SEWING, EMBROIDERY & QUILTING MACHINES

INTRODUCING THE

LAURA ASHLEY

®

brother

at your side
EXQUISITE DESIGN MEETS SOPHISTICATED TECHNOLOGY

Laura Ashley, one of the world’s most loved lifestyle brands, is known for traditional styling, sophistication, and high-quality craftsmanship. The quintessential English brand came from humble beginnings, with Laura Ashley and her husband printing their own fabric on their kitchen table in 1953. Since then, the company has grown to be one of the most loved fashion and home furnishing brands in the world.

Offering an impressive range of products including clothing, accessories, home furnishings, and home décor accents, Laura Ashley has joined forces with Brother™, one of the world’s most renowned sewing companies to offer the Laura Ashley Limited Edition family of machines – impressive sewing, quilting and embroidery machines, developed with superior technology that allow enthusiasts to craft their own Laura Ashley-inspired creations in the comfort of their own home.

The Laura Ashley Limited Edition family of machines were engineered with the do-it-yourself designer and home décor crafter in mind. Laura Ashley is known worldwide for its beautiful home décor and accents, and you too can now create one-of-a-kind items for your home.

With virtually limitless stitch options for embellishments, and features that make creating your projects effortless, the Laura Ashley Limited Edition family of machines will allow you to create for your own home the beautiful styles admired in magazines and catalogs. Adding beautiful accents to your home and wardrobe has never been so easy – or fun!
A Touch of English in Every Stitch

This exclusive line-up of machines boasts impressive features to delight sewers, quilters and embroiderers alike. Beginners will love the ease-of-use in the Limited Edition Innov-ís NX-800 sewing machine, while the experienced crafter will enjoy the advanced features in the Limited Edition Innov-ís NX-2000. Love all the sewing features from the Innov-ís NX-2000 but are looking to incorporate a touch of embellishment and embroidery? Look no further than the Limited Edition Isodore™ Innov-ís 5000.

SEW UP TO 850 STITCHES PER MINUTE
STITCH WIDTH UP TO 7 MILLIMETERS
STITCH LENGTH UP TO 5 MILLIMETERS

A TOUCH OF ENGLISH IN EVERY STITCH
EXPERT SEWING

138 BUILT-IN SEWING STITCHES INCLUDED
Take your sewing to a loftier level with an impressive assortment of sewing, quilting, utility and decorative stitches, including 10 buttonhole styles and three sewing lettering fonts (all of which feature lowercase letters and additional characters).

EASY STITCH SELECTION
The at-a-glance reference chart displays all of the stitch options in one convenient place. Then simply use the 10-key touchpad to key in the stitch number.

MY CUSTOM STITCH™ FEATURE
Create personalized stitch patterns and save to the machine’s memory for later use.

STITCH EDITING FEATURE
Found a stitch that’s close to what you want but not quite perfect? Use the stitch editing feature to adjust the width, height, density and size.

COMBINE OR MIRROR IMAGE STITCHES
Combine or create mirror images of stitches to create your own unique patterns and then save them to memory for later use. Combined stitches can also be repeated for a custom look.

LCD MONOCHROME DISPLAY
Manage all sewing functions including stitch selection, stitch length and width, and recommended presser feet on the easy-to-read LCD display.

SIDEWAYS SEWING
Perfect for sewing patches and appliqués on projects using the straight stitch and zig zag horizontal sewing capability.
FREE-MOTION STITCHING
Slide the free-motion feed dog lever to easily lower the feed dogs and automatically set
the tension, allowing you to add beautiful free-motion embellishments to your projects.

ADVANCED NEEDLE THREADING SYSTEM
With the press of a lever, the thread is pushed through the eye of the needle. Perfect
threading, every time, even when you can’t see the eye!

MULTIPLE THREAD CUTTING OPERATIONS
Use the on-board scissor button or pre-program the machine to cut the threads at
the end of the stitching.

ADJUSTABLE PRESSER FOOT HEIGHT AND PRESSURE
Must-have features for quilting! Adjust the presser foot height to allow thicker
sections to pass under the foot, and change the presser foot pressure to align with
the feed dog motion for improved delivery of fabric height variations.

WIDE QUILTING EXTENSION TABLE INCLUDED
Expand your work area and easily maneuver large projects like quilts, linens,
curtains and wall hangings.

3 INCLUDED QUILTING FEET
• Quilting foot for darning, quilting or free motion
• 1/4” Quilting foot for quilting with 1/4” or 1/8” seam allowance
• Walking foot for smoother feeding of multiple layers

LAURA ASHLEY,
EXPERT SEWING

460 SEWING STITCHES – 430 BUILT-IN AND 30 ON CD

Your creativity can run free with the 460 included stitches in the Innov-is NX-2000. An impressive assortment of sewing, quilting, utility and decorative stitches, including 12 buttonhole styles and three sewing lettering fonts, will help you add a special finish to all your creations. For ease, the machine’s built-in stitches are saved by category and can be easily selected with the touch of a button on the LCD display.

MY CUSTOM STITCH™ FEATURE

This Brother™ exclusive feature gives you the freedom to create a unique pattern and save it to one of the 15 memory pockets for later use. Expand your stitch library with a virtually unlimited number of personalized stitches for years to come!

ADVANCED NEEDLE THREADING SYSTEM

The advanced system eliminates hand threading by pushing the thread through the eye of the needle with the press of a lever. Perfect threading, every time, even when you can’t see the eye!

COMPUTER CONNECTIVITY

Keep your machine up-to-date for years to come by simply connecting it to your computer with the included cable. Follow on-screen instructions to download free machine updates or to save your customized stitches directly to your computer.
SUPER BRIGHT LED WORK LIGHTS
The super bright, independent lighting in the needle and work area helps reduce eye strain and brightens the details of any project.

MULTI-DIRECTIONAL SEWING
An exciting feature which allows you to unleash your creative spirit! Sew straight in eight different directions, including sideways left or right, which eliminates pivoting of material, and in four directions with zig zag.
ADVANCED QUILTING

AUTOMATIC HEIGHT ADJUSTER™ AHA® FEATURE
The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent regardless of fabric thickness, leading to consistent stitch quality across uneven surfaces.

Whether sewing silk, denim or leather, the presser foot will float over your fabric without hesitation and deliver smooth, even stitches every time.

PIVOT FUNCTION
Select the Pivot Function to have the machine simultaneously lift the presser foot while keeping the needle lowered. This allows you to keep your hands free to rotate your fabric, making perfect corners every time.

ADJUSTABLE PRESSER FOOT HEIGHT AND PRESSURE
Must-have features for quilting! Adjust the presser foot height to allow thicker sections to pass under the foot, and change the presser foot pressure to align with the feed dog motion for improved delivery of fabric height variations.

5 INCLUDED QUILTING & APPLIQUÉ FEET
- “C” foot for more control
- “O” foot for more visibility
- “E” see-through foot for precise echo quilting
- Open Toe Walking foot for smoother feeding of multiple layers
- 1/4” Quilting foot with guide for evenly spaced rows of stitches
EXQUISITE EMBELLISHMENTS
INCLUDED WITH THE INNOV-ÍS NX-2000

CIRCULAR ATTACHMENT FOR PERFECT CIRCLES
Make concentric circles, arcs and more by simply using the included measured circular attachment bundle. The included braiding and cording feet allow you to embellish your creations with decorative threads and trims for that special finishing touch.

BOBBIN CASE FOR BOBBIN WORK
Add impressive stitching to your projects with our new bobbin case for Bobbin Work which allows you to use a variety of decorative threads in your creations. Use the new bobbin case to create reverse “upside down” sewing with specialty threads that don’t fit through the eye of the needle, and experience the delight when you turn the fabric over to see the raised 3-D stitches you have added to your creation.

FREE-MOTION STITCHING
The foot height adjusts for perfect free-motion sewing, creating beautiful free-motion projects. Use the three included quilting presser feet to help you develop your masterpiece.

LETTERING
Use any of our three built-in lettering fonts to personalize all of your creations, adding an extra-special touch to everything from towels and napkins to clothing and accessories.

LAURA ASHLEY.
INCREDBILE EMBROIDERY

BUILT-IN EMBROIDERY DESIGNS
Enhance your home and wardrobe with exquisite embroidery designs. The Isodore™ features 50 European floral designs from the exclusive Laura Ashley library – the first time ever that such beautiful, licensed designs have ever been available for sewing and embroidery projects. Also included are 366 built-in embroidery designs – from flowers to borders and more, the Isodore™ has something for everyone.

MY CUSTOM DESIGN™ FEATURE
Be your own designer! Create your own custom embroidery designs on the LCD display and save to memory for future use.

BUILT-IN LETTERING FONTS
The Isodore™ features large 5” floral letters in both upper and lower case. The 17 embroidery lettering fonts, including 4 small fonts and 2 Cyrillic fonts, are the perfect resource for creating lines of text such as quilt labels, recipes, poems and prayers. Capture your thoughts in stitches with the Isodore™ professional on-screen lettering feature.

BUILT-IN DECORATIVE FRAMES
You’ll find a treasure trove of built-in frames in the Isodore™. Choose the shape, size and decorative detail. It’s easy to mix and match borders for infinite creativity in embroidery edit.

BASTING FUNCTION
Stitch with confidence. Apply a basting stitch outline to the perimeter of any design to hold the fabric to the stabilizer. Great for larger fabrics and hard-to-hoop items.

BUILT-IN EMBROIDERY CARD SLOT
Use the built-in embroidery card slot to access 1,000’s of designs on optional Brother™ Embroidery design cards, available for additional purchase.

ACCESS TO ADDITIONAL EMBROIDERY DESIGNS
Purchase individual embroidery designs on the iBroidery.com Download Center, including additional Laura Ashley designs and popular licensed designs including Disney, Warner Bros. and Nickelodeon™.

COMPUTER CONNECTIVITY
Keep your machine up-to-date for years to come by simply connecting it to your computer with the included cable. Follow on-screen instructions to download free machine updates or to save your customized stitches directly to your computer.
LARGE LCD TOUCH SCREEN DISPLAY
Use the super bright 8.3” x 3.1” vivid color touch screen to manage all your sewing, quilting and embroidery functions.

- View and edit your designs and stitches
- Change the screen’s background color to see your design in a different setting
- Select, edit, create and save stitches
- Access quick reference stitch guides and help screens

APPLIQUÉ CREATOR
Ramp up your embroidery with a fabric backdrop and transform any design into appliqué – even letters. The Isodore™ stitches your embroidery design, sews an outline stitch for cutting reference and creates a placement guide on your background fabric. Lastly, the machine covers the edge of the applied appliqué with a satin stitch.

ENHANCED EMBROIDERY EDITING
Create professional embroidery layouts with the speedy Drag & Drop feature. Employ the navigation keys for precise placement. Key features in Embroidery Edit include merging multiple designs; 1 degree, 10 degree, or 90 degree design rotation; on-screen sizing and hoop zoom to get a bird’s eye view of the embroidery layout.

LARGE EMBROIDERY AREA
Embroider large, impressive designs on the 7” x 12” embroidery area. Includes four sizes of embroidery frames: 7” x 12”, 5” x 7”, 4” x 4” and 2.5” x 1”.

A TOUCH OF ENGLISH IN EVERY STITCH
EXPERT SEWING

SEWING STITCHES
Your creativity can run free with the 531 included stitches in the Isodore™. An impressive assortment of sewing, quilting, utility and decorative stitches, including 15 one-step and 1 four-step buttonholes, and three sewing lettering fonts, will help you add a special finish to all your creations. For ease, the machine’s built-in stitches are saved by category and can be easily selected with the touch of a button on the LCD display.

MY CUSTOM STITCH™ FEATURE
Feeling inspired? Create your own unique sewing stitch using the My Custom Stitch™ feature on the touch screen LCD display and save it to one of the 20 memory pockets for later use. This incredible feature will allow you to expand your stitch library with a virtually unlimited number of personalized stitches for years to come!

SEW WITH EMBROIDERY UNIT IN PLACE
A great time-saver and allows for more precision. Simply switch to sewing with the touch of a button.

BASTING FUNCTION
Stitch with confidence. Apply a basting stitch when sewing your garment and quilting projects to hold the fabric in place.

AUTOMATIC NEEDLE THREADING
The automatic system eliminates hand threading by pushing the thread through the eye of the needle with the press of a button. Perfect threading, every time, even when you can’t see the eye of the needle!

MULTI-DIRECTIONAL SEWING
An exciting feature which allows you to unleash your creative spirit! Sew straight in eight different directions, including sideways, which eliminates pivoting of material, and in four directions with a zig zag stitch.
ADVANCED QUILTING

AUTOMATIC HEIGHT ADJUSTER™ AHA® FEATURE
The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent regardless of fabric thickness, leading to consistent stitch quality across uneven surfaces.

SMOOTH FABRIC FEEDING LEADS TO CONSISTENT STITCH QUALITY!

Whether sewing silk, denim or leather, the presser foot will float over your fabric without hesitation and deliver smooth, even stitches every time.

PIVOT FUNCTION
Select the Pivot Function to have the machine simultaneously lift the presser foot while keeping the needle lowered. This allows you to keep your hands free to rotate your fabric, making perfect corners every time.

FREE-MOTION STITCHING
The foot height adjusts for perfect free-motion sewing, creating beautiful free-motion projects. Use the three included quilting presser feet to help you develop your masterpiece.

ADJUSTABLE PRESSER FOOT HEIGHT AND PRESSURE
Must-have features for quilting! Adjust the presser foot height to allow thicker sections to pass under the foot, and change the presser foot pressure to align with the feed dog motion for improved delivery of fabric height variations.

4 INCLUDED QUILTING FEET
- “C” foot for more control
- “O” foot for more visibility
- “E” see-through foot for precise echo quilting
- Open Toe Walking foot for smoother feeding of multiple layers
