HL-2280DW Versatile Laser Printer with Wireless Networking and Duplex for Small Offices

This compact, monochrome laser printer includes built-in wireless and Ethernet network interfaces for small office or home office printer sharing. Offering a fast print speed and automatic duplex capability, you can print professional-looking two-sided documents and booklets with ease. In addition, it features a flatbed document glass for convenience copying and color scanning. Plus, an optional high-yield replacement toner cartridge* is available to help reduce your operating costs.

Technical Specifications

		HL-2280DW
