magnetic back™

Laminate front,  
adhesive back™

Refillable film cartridges available in 4.8", 9" & 12" widths.

Professional  
Quality  
Lamination  
No Experience Necessary!

Includes  
BONUS Double-Sided Laminate  
Starter Cartridge  
BONUS PrintMaster® Gold  
Sign Making Software

INSTANT  
ON

Insert the document, press  
a button and that's it...  
it's always ready to use when  
you're ready to laminate.

Built-In  
AUTO  
Cutter

Automatically senses the  
width and length of any  
square or rectangular  
document and trims it to size.

LOW  
COST  
PER  
COPY

Faster, safer, easier and  
less expensive to use than  
heat based laminators and  
professional laminating  
services.

NO  
HEAT

There's no heat to harm  
sensitive originals and  
there's no warm-up time to  
delay your deadlines.

SINGLE  
PASS  
SYSTEM

One-step operation...  
it laminates the front side,  
finishes the back and trims  
your document in a single pass.

brother At your side.

- **No heat**, no warm-up time
- **Safe, easy one-step operation** — laminates the front, finishes the back and trims your document in a single pass.
- **Built-in auto cutter** automatically trims the excess laminate from the length and width of your square or rectangular documents as it laminates.
- **Laminates up to 12" wide** and any length from business card to banner size.
- **Low-cost, cartridge-based** no-pouch system
- Choose from **multiple laminating options**:
  - Double sided laminate.
  - Laminate one side and apply adhesive film to the other.\*\*
  - Laminate one side and apply magnetic film to the other.\*\*
- **Easy-to-refill cartridges**. Refillable film cartridges available in 4.8", 9" and 12" widths.
- **Extra border option**: 20mm or 30mm extra laminate on one side for 3-hole punch, etc.
- **Continuous laminating**: Insert documents one after another to reduce film waste between documents.
- Built-in corner rounder
- 1-year limited warranty

#### Laminator Includes:

- Starter LC-D12S double sided laminate film cassette (12 in. wide x 11.2 feet — enough film to laminate 9-11 8.5" x 11" documents or 5-6 11" x 17" documents)
- BONUS PrintMaster® Gold CD-ROM Sign Making and Graphics Software

## Imagine...

perfect laminating every time!

The LX-1200 Cool Laminator features a revolutionary cold pressure method so there's no heat to harm originals. Plus, it's so versatile. The "no-pouch" cartridge based system can handle any document from a business card up to banner size. And in a single pass, this one-touch system can laminate and trim the average document in less than 20 seconds.\*

## Ideal for any business application
