brother[®]

THE FIRST AFFORDABLE, INTEGRATED APPROACH TO DESIGNING AND CREATING PROFESSIONAL LOOKING NEWSLETTERS, INVITATIONS, REPORTS AND MUCH MORE.

Ensemble®

PERSONAL COLOR DESKTOP PUBLISHER

pdp300cj

When you write in color, it gets seen, it gets read, and it definitely gets remembered. Color gives the written word the kind of impact that gets results. For even more dramatic effects, the Brother PDP-300CJ joins color with design, graphics, clip art, chart and graph making, plus document creation capabilities to help you generate the most professional looking documents. By combining a 14" color monitor, color ink jet printer, point and click mouse, Perfectype® Professional Touch Keyboard and a suite of award-winning software, being creative is easier than ever before. Express yourself more creatively with the Brother Ensemble® Personal Color Desktop Publisher. And thanks to the economy and high performance of its GEOS® operating system, Ensemble helps you do it all at a price almost anyone can afford.

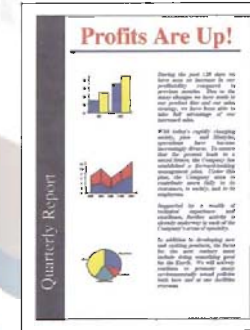

PERFECTYPE®
PROFESSIONAL TOUCH KEYBOARD

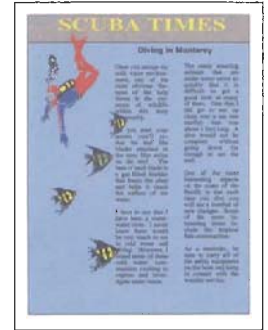

Express yourself creatively with color bulletins, flyers, and handouts for your school, club or business.

Bring more attention to your reports by adding color graphs and charts.

Design hot looking pictures with artwork that is not only creative but colorful.

A TOTAL DESIGN AND DOCUMENT CREATION CENTER THAT'S EASY TO USE.

WORD PROCESSING
Easy to create, edit, print and store everything from the simplest memo to the most sophisticated desktop published document. Seven font styles in sizes from 4 pt. to 792 pt. (1/18" to 11").

SPREADSHEET
Number crunching is simple with the 99 built-in functions and the 7 different types of charts and graphs. LOTUS® 1-2-3® and CSV® files can be imported or exported into the spreadsheet files.

DRAWING
Use the full range of drawing tools for creating objects such as boxes, circles and stars or use the freehand drawing tools to get super creative. Flip, twist, rotate, and color designs and artwork for added effect.

FILE MANAGER
Keep organized by placing your files into custom named folders. Files are easily found and identified. Makes file copying, deleting, renaming, etc. easy.

ADDRESSBOOK
Create multiple books for personal, business, family, etc. The information can be merged into files to personalize your documents.

PLANNER
Use this personal information manager for scheduling important appointments. Prints events by day, month or year.

DESKTOP REFERENCE
Built-in 114,000 word dictionary and 41,000 word thesaurus for looking up word definitions and synonyms quickly and accurately.

SCRAPBOOK™
Stores "often used" text and graphics. Scraps can be imported in ASCII, LOTUS® 1-2-3®, MS Word® (DOS version), WordPerfect®, BMR, PCX and TIFF formats. All scraps can be easily copied into files.

BOOK READER
Reference books on disk for easy access to important information. Easy to search for specific data electronically.

TYPEWRITER
Perfect for applications such as envelopes, labels and forms. Line by line printing with a special find feature so the typing is aligned perfectly on the paper.

CALCULATOR
Looks and works like a standard hand-held calculator. Easy access by keyboard or mouse.

COMMUNICATIONS
With the optional data modem, you can stay in touch with the world. Send and receive files or access on-line services and E-mail. With the optional fax modem, you can send your files directly to a fax machine.

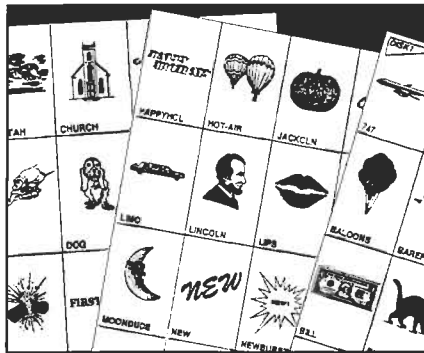

TURNABOUT/SOLITAIRE GAMES
Relax and enjoy hours of entertainment with these two exciting games.

Ensemble[®] pdp300cj
