P-touch®
MODEL PT-2210

The PT-2210 creates professional-quality, adhesive-backed labels that can be used for virtually any deluxe office application.

The PT-2210 labeling system uses laminated "TZ" tape labels that are available in a wide variety of color combinations and 4 different widths. Each label adheres to practically any surface, withstands temperature changes (from microwaves to freezers), and is water-resistant.

These laminated labels are ideal for identifying folders, computer disks, office equipment, computer hardware and more.

The PT-2210 is easy to use. It's also loaded with useful features, including 4 built-in fonts, 8 type styles, 7 type sizes, vertical and mirror printing, and 5 line printing (up to 48 points). This model comes complete with a protective carrying case, 1 "TZ" tape, user's manual, auto tape cutter, tape separator, and AC Adapter. The PT-2210 is perfect for organizing all your professional needs.
