MODEL  
PT-2400

The PT-2400 creates professional, laminated, adhesive-backed labels that can be used for virtually any office application.

The PT-2400 labeling system uses 5 different "TZ" tape label widths that are available in a selection of many different color combinations. Each label adheres to practically any surface, withstands variations in temperature (from freezers to microwaves) and is water resistant. These laminated labels are ideal for identifying folders, computer disks, office equipment, computer hardware and more.

The PT-2400 is loaded with features including 8 built-in fonts, 10 type styles, 8 type sizes, vertical and mirror printing, 7 line printing and more!

By connecting the unit to your computer (software and cable included) you can expand graphic creativity on your labels. Complete with one "TZ" tape, 8 AA batteries, user's manual, tape separator, computer cable, PT-Editor software and Printer Driver, the PT-2400 is a product you can't live without.
