**Extra performance! Extra value!**

The P-Touch® is so easy to use, it's easy to forget that it's so sophisticated. Just a few simple strokes on the familiar typewriter-style keyboard is all you need to create durable, laminated, adhesive-backed labels in a rainbow of colors. It's perfect for organizing homes, warehouses, offices, stores, schools, recipe files, laboratories...plus so much more. It can be used to systematize and color-code filing cabinets. And most important, it will help prevent misplaced documents and personal belongings. The small, lightweight P-Touch 300 fits as comfortably into your budget as it does into your desk, kitchen or work room. Use it once and you'll quickly see all the ways it can help you work better, faster, smarter and more accurately.
