"EXTRA" means Extra Labeling Flexibility

No longer do you have to settle for those old-fashioned, poor quality labels. P-Touch® Electronic Labeling Systems have revolutionized the way people organize themselves and their businesses. By creating professional-looking, laminated, adhesive-backed labels, P-Touch machines have been working wonders in homes, offices, stores, warehouses...everywhere.

Now the P-Touch "Extra" line offers more fonts, wider tape and extra large printing. Our patented laminated tape also features exceptional durability against heat, cold, abrasion, spills and general rough handling.

P-Touch "Extra": a bold new frontier in electronic labeling.
