Reference Guide

Watch our Video FAQs for help with setting up your Brother machine: solutions.brother.com/videos.

NOTE:
- Manuals in Spanish for this model are available on the Brother Solutions Center. (USA only): solutions.brother.com/manuals
  Los manuales en español de este modelo están disponibles en el Brother Solutions Center. (Solamente en los Estados Unidos): solutions.brother.com/manuals
- The components included in the box may differ depending on your country.
- The available connection interfaces vary depending on the model.
- Interface cables are not included. If you require one, it will need to be purchased. Use one of the following cables:

  USB cable
 We recommend using a USB 2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.

  Network cable
 Use a straight-through Category 5e (or greater) twisted-pair cable.

---

1 Remove the packing materials and install the drum unit and toner cartridge assembly

Remove the packing tape.

---

2 Load paper in the paper tray
Adjust the paper guides.

Do not exceed this mark.

---

3 Connect the power cord and turn the machine on

Back

Front

---

4 Select your language (if needed)

1. On the machine's Touchscreen, press
   [Settings] > [All Settings] >
   [Initial Setup] > [Local Language].
2. Press your language.
3. Press .

5 Select a device to connect to your machine

Computer

 Go to **6** and follow the instructions.

Mobile Device

 Go to **7** and follow the instructions.
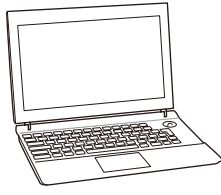

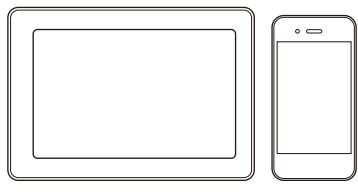

---

6 Connect your computer

 Download

Put the installation disc into your CD/DVD drive, or download the Full Driver & Software Package at:

For Windows®: solutions.brother.com/windows
For Macintosh: solutions.brother.com/mac

If you are using a recently released operating system on your computer, visit the above websites for updated driver and software information.

▶ **Follow the on-screen instructions and prompts.**

For Windows®:
If the Brother screen does not appear automatically, go to **Computer (This PC)**. Double-click the CD/DVD-ROM icon, and then double-click **start.exe**.

For Macintosh:
For full driver functionality, we recommend choosing the **CUPS driver** when adding a printer.

▶ **Finished**

Brother regularly updates firmware to add features and apply bug fixes. To check for the latest firmware, visit solutions.brother.com/up3.

Can't Connect? Check the following:

|			
Wireless network	▶ Restart your wireless access point/router (if possible).	▶ Restart your machine and computer, and then go to **6**.	▶ If still not successful, go to **7**.
Wired network / USB connection	▶ Disconnect the cable.		▶ If still not successful, visit support.brother.com for FAQs & Troubleshooting.

---

7 Alternative wireless setup

Find your SSID (Network Name) and Network Key (Password) on your wireless access point/router and write them in the table provided below.

SSID (Network Name)	
Network Key (Password)	

SSID: XXXXXXX
Network key: XXXX

If you cannot find this information, ask your network administrator or wireless access point/router manufacturer.

▶ Press WiFi > [Setup Wizard] > [Yes].

▶ Select the SSID (Network Name) for your access point/router and enter the Network Key (Password).

When the wireless setup is successful, the Touchscreen displays [Connected].

If setup is not successful, restart your Brother machine and your wireless access point/router, and repeat **7**.

For Computer

Go to **6** to install software.

For Mobile Device

Go to **8** to install apps.

Even if you do not have a wireless access point/router, you can connect your device and your machine directly. For additional wireless network support, go to solutions.brother.com/wireless-support.

---

8 Print using your mobile device

Your mobile device must be connected to the same wireless network as your Brother machine.

Brother SupportCenter is a mobile app that provides the latest support information for your Brother product.
Visit the App Store or Google Play™ to download.
AirPrint
AirPrint is available for Apple device users. You do not need to download any software to use AirPrint. For more information, see the *Online User's Guide*.

Download and install our free application **Brother iPrint&Scan** from a mobile application store, such as the App Store, Google Play™ or Microsoft® Store using your mobile device.

Optional apps
You can print from your mobile device using various apps.
(USA only) For more information on apps, visit www.brother-usa.com/connect.
For instructions, see the *Online User's Guide*.
