HL-L6415DW

Low total cost of ownership, advanced security features, and reliable business performance

Enterprise Monochrome Laser Printer

The Brother HL-L6415DW is a great choice for mid to large-sized workgroups that need fast, high-quality output, a low total cost of ownership, scalable paper handling, and advanced security features.

- Fast printing up to 52ppm¹
- Includes 11,000-page toner cartridge for built-in value.
 Low total cost of ownership using 25,000-page replacement toner cartridge¹³
- Enterprise level security features
- 620-sheet paper capacity⁸, expandable up to 2,700 sheets with tower tray option¹⁵
- Gigabit Ethernet and dual band (2.4GHz / 5GHz) wireless networking

HL-L6415DW

Enterprise Laser Printer for Mid to Large-Sized Workgroups

Specifications:

 Maximum number of printed pages per month can

- To may require the download.

 If Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
- 12 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
 13 Approximate toner cartridge yield in accordance with ISO/ICC 19752 (letter/A4).
 14 Approximately 75.000 pages based on 1 pages per job and 45,000 pages based on 1 page per job (letter/A4 simplex pages). The number of pages may be affected by a variety of factors including but not limited to media type and media size.
