

MAGICAL COOKIE BAG

**THIS MAGICAL COOKIE BAG EASILY TRANSFORMS INTO
A HOLIDAY DISH TOWEL WHEN YOUR TREAT IS DONE!**

Materials:

- Bordered dish towel approximately 18" x 28"
- 1.5 yds. of water soluble thread
- 3/8" ribbon
- 6 - 8 large safety pins
- iBroidery Design: "Presents for Santa" - DC XM1512

NOTE: All seams are sewn with water soluble thread in needle, and regular thread in bobbin. A small loaf pan was used for the measurements given below. A different container would require new calculations.

STEP 1

Select cookie design and add optional text.

STEP 2

Press crease 10" from decorative hemline. Determine placement of design.

STEP 3

Embroider cookie design near hem border.

STEP 4

Fold plain end of towel up 8". With right sides together, iron crease. Stitch side seams.

STEP 5

Sew corners diagonally to create bag bottom. Match seam line with center crease.

STEP 6

Stitch 3 1/2" from beginning of side seam.

STEP 7

Turn bag right side out. Attach safety pins from inside (two at center back, one on each side, and two at center front).

STEP 8

Thread ribbon through safety pin eyelets.

STEP 9

Load bag with cookies and include this poem:

*"This cookie bag was made for you.
To make a dish towel, here's what you do.
Just wet the seams with a cloth or spray.
See all the stitches melt away!
Be glad this was made for dessert or fruit.
I could have made you a bathing suit."*
