About Brother:

Headquartered in Bridgewater, N.J., Brother International Corporation has earned its reputation as a premier provider of small office and business printers, multifunction devices, scanners and label printers, as well as home appliances and industrial solutions that revolutionize the way we live and work. Brother International Corporation is a wholly-owned subsidiary of Brother Industries Ltd. With worldwide sales exceeding \$6 billion, this global manufacturer was started more than 100 years ago. Brother is committed to helping government agencies meet critical business requirements and drive long-term success.

Products:

Brother devices are sold through Brother authorized resellers including a full Brother Workhorse monochrome and color laser printer and MFP lineup, as well as feature-rich desktop scanners – complemented by a strong suite of customizable workflow solutions and personalized services.

Brother offers fiscally-responsible printers that comply with the Trade Agreements Act (TAA). These models are easy to purchase via a P-Card or from Governmentwide Acquisition Contracts (GWACs) such as GSA, SEWP, 2GIT and NITAAC (CIO-CS).

Why Brother?

- Top-Rated Performance
- Consistent Reliability
- Bottom-Line Value
- At Your Side Services & Support

Core Capabilities & Solutions:

- Triple layer security features limit device and document access and help protect from network intrusion.
- CAC/PIV authentication via Netgard™ MFD is compatible on select devices for added security.
- Most devices are EPEAT® rated and meet ENERGY STAR® specifications.
- Kofax ControlSuite integration with select Brother printers and MFPs for best-in-class document capture, print management and output management capabilities, as well as additional key benefits in support of digital transformation initiatives.
- Products can be customized based on needs: automate device deployments, configure advanced feature settings and preconfigured shortcuts, disable features/interfaces, develop a custom user interface and more.

Codes & Certifications:

- HL-L6400dwg/MFC-L6900dwg are EPEAT® Silver rated
- HSPD-12 and DOD Compliance via Netgard™ MFD
- FIPS 140-2 Validated & Common Criteria Certified via Netgard™ MFD
