Embroidery Pro Bundle (PRIOBUSBNDL) Includes:

PR Stand

Designed for use with the PR1060W, this attractive metal stand helps provide a stable base for your machine.

• Wide table area with rounded edges

• Extra storage for all your large frames

• Secures to your machine with locks to resist vibration while in use

• Locking wheels allow for easy moving and transportation

• Height-adjustable legs

• Space for the cap frame, which is ideal for prepping hats for embroidery

• Large shelf has supportive dividers for convenient hoop storage, and storage for accessories, instruction books and small supplies
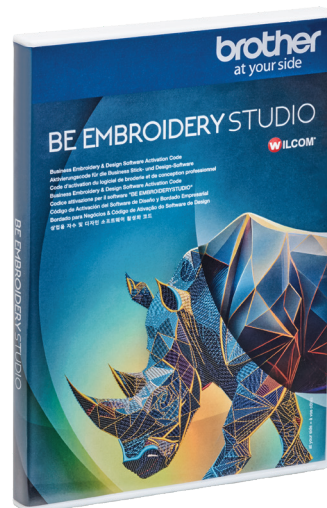

PRNSTD2

BE EmbroideryStudio Software

Create stunning, high-precision designs with intuitive tools, faster rendering, and improved file management — ideal for both custom jobs and high-volume production.

• Digitize designs

• Open and Export embroidery files

• Create Lettering and monograms

• Recolor and assign thread charts

• Edit and Reshape designs

• Adjust stitch settings

Plus 3 Special Features:

• **Hand Stitch Effect**: Create an organic and hand-embroidery effect with simple settings on satin, tatami, running, and backstitch.

• **Reef PhotoStitch**: Create photo embroidery with a single-stroke and single-color stitch.

• **Photo Flash/PhotoStitch**: Converts any image into a multi-color digitized file, turning photos into artistic stitching.
