Government Solutions

Brother printing, scanning, and labeling to help meet the needs of today's government agencies.

Printing, Scanning, and Labeling

Reliable, high-quality printers, all-in-ones, scanners, and label printers that can help improve operations and allow for seamless information capture and sharing.

- **Administration**
  - Visitor ID badges
  - Public announcements and memos
  - Fliers and handouts
  - Building signage

- **Voting Areas**
  - Voter registration information
  - Voting ballots
  - Staff and volunteer ID badges

- **Courtroom**
  - Case files and evidence submissions
  - Legal reports
  - Rulings and records

Document Management Designed for Government

From administrative offices to the courtroom, Brother solutions streamline operations, safeguard sensitive information, and improve communication with constituents.

- **Capture and share information.** Solutions-based products and applications enable sensitive information to be securely stored and transmitted.

- **Reduce print and supply costs.** Right-size print and capture environments to meet workflows, requirements, and budgets.

- **Maintain compliance and security.** Brother devices do not have a hard drive, eliminating the risk of stored information, and come equipped with advanced security features to help safeguard sensitive documents.

- **Manage a hybrid workforce.** Cloud-based solutions help support remote and field workers.

- **Streamline procurement.** Access to national and state contract vehicles to support government buying.
