

# Education Technology Compatibility with Brother Devices

To demonstrate our commitment to providing educational institutions with high-quality, cost-effective document management solutions that address the needs and challenges of the education industry, Brother offers devices that are compatible with a number of leading education technology applications. These include:

## eduphoria!

Eduphoria! offers a suite of powerful and intuitive web-based software for K-12 educators, including Aware, which effectively facilitates assessment test construction and administration, as well as analyzes student progress.

Eduphoria is compatible with the following Brother models for assessment scoring:			Compatible discontinued Brother models include:	
ADS-2400N	MFC-L6900DW	DCP-L5650DN	DCP-L2540DW	DCP-7065DN

MFC-L5900DW	MFC-L6800DW	DCP-L5600DN	

Schoolnet by Pearson combines assessments, reporting, and instructional management tools in an online platform, eliminating the need for costly paper test booklets and answer documents.

For assessment testing, Schoolnet does not support specific plain-paper scanners, as many makes and models of TWAIN-compliant scanners will work successfully with Schoolnet. Although some of the following suggested (but not required) Brother MFP and scanner models are discontinued and only available through resellers, they have been confirmed to work well with Schoolnet.

Schoolnet is compatible with the following Brother models:		Compatible discontinued Brother models include:		
ADS-3000N	MFC-L5800DW	DCP-8060	DCP-8150DN	MFC-8480DN
		DCP-8110DN	DCP-L2540DW	MFC-L2700DW
