This upgrade adds

- Outstanding Quilting Features
- Updated Embroidery Functionality and
- Enhanced USB Capability

Expand the functionality of your Innov-ís 4000D by adding special features to the actual machine:

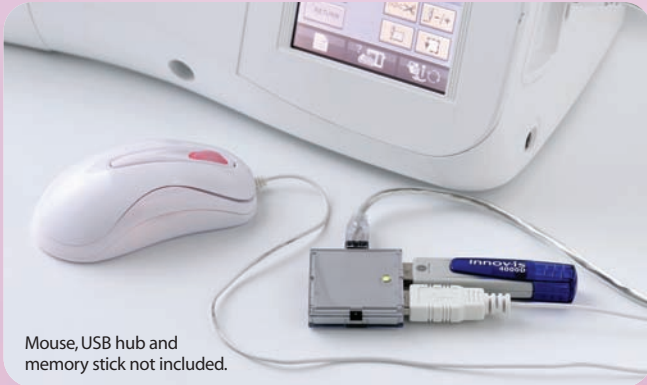

- ✿ ICAPS Innov-ís Continuous Automatic Pressure Sensor adjusts the presser foot pressure automatically and continuously to give you superior stitch quality when stitching over differing fabric thicknesses.
- ✿ Accepts USB mouse\* to navigate LCD screen.
- ✿ Compatible with USB hub devices\* to provide access to memory devices.\*
- ✿ Drag and drop embroidery pattern positioning.
- ✿ Reduce letter spacing in embroidery fonts.
- ✿ The 4000D Premium Upgrade Package is compatible only with the Brother Innov-ís 4000D sewing and embroidery machine.

## Perfect Stitch Quality with ICAPS

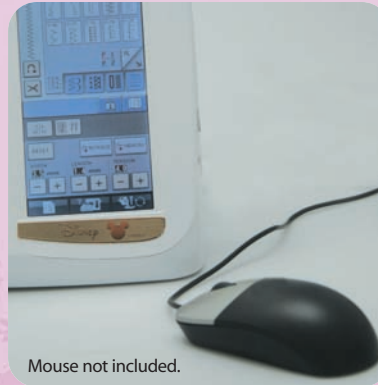

- ✿ Using the new technology from our world-class QC1000 quilting and sewing machine, you can now take advantage of the **ICAPS Innov-ís Continuous Automatic Pressure Sensor**. ICAPS adjusts the presser foot pressure automatically and continuously for varying fabric thicknesses. For example, if the thickness of the edge of your quilt is thinner than in the middle, ICAPS will automatically adjust presser foot pressure to create a beautiful stitch while adjusting to the different fabric density.

## Increased Quilting Functionality

Quilters will be able to take advantage of the new **Pivoting Function**, which raises the presser foot slightly while the needle is still in the fabric for easy and accurate rotation of fabric. With **three new free-motion presser feet** and a **free motion mode**, quilters will also find making wonderful creations with the machine feed dogs lowered a snap!

**Pivoting Function**  
Precise, accurate and effortless. One touch on the LCD activates this feature which raises the presser foot while keeping the needle in the fabric for easy fabric rotation.

**Easy Piecing**  
Convenient markings on the bobbin cover make it easy to stitch accurate 1/4" seams.

**"C" Quilting Foot**  
Free motion quilting foot for greater visibility.

**"O" Quilting Foot**  
Free motion quilting foot for greater control.

**"E" Quilting Foot**  
Free motion quilting foot for perfect echo quilting.
