EMBROIDERY

USB MEMORY STICK READY
Advanced 6-Needle Home Embroidery

New: Droplight™ LED Positioning Marker
- This LED Pointer helps visually show where the needle will drop. Plus, use the Trial/Trace feature to see where the entire design will be embroidered before stitching!

Enhanced: Frame Detection
- Add to your creativity with even more frame detection for use with the Border, Clamp, Quilt and Round frames!

Large embroidery area of 8" x 12"
- Includes four sizes of embroidery frames: 1.5" x 2", 4" x 4", 5" x 7", and 8" x 12".

Library of built-in embroidery designs and fonts
- 25 built-in embroidery designs; 28 size-adjustable embroidery lettering fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles, and 15 coordinating accents; 10 frame designs. Plus 60 BONUS designs on included USB memory stick.

Advanced Super View (ASV) HD LCD touch screen display by Sharp® Corporation
- 16.7+ MILLION possible colors with little or no on-screen color shifting and enhanced viewing angle of 176 degrees. The adjustment feature allows you to change the brightness of the screen.

Group/Ungroup feature
- Combine designs and edit them as one, or separate design elements and edit pieces separately.

Individual stitch backup
- Backup through designs by individual stitches, color blocks or groups of 500 stitches (an increase of 400 stitches).

**Built-in Link-Ready Function* –
Perfect for the Small Business Owner**
- Link up to four upgraded PR650 Series and PR1000 Series machines (Optional PE-DESIGN® NEXT software required).

2 USB Ports and 1 Port for Computer Connectivity
- High speed port for fast design transfers. A second port for machine peripherals. A third port for computer connectivity and future upgrades.

Stitch with confidence using the basting function
- Apply a basting stitch outline to the perimeter of any design to hold the fabric to the stabilizer. Great for larger fabrics and hard-to-frame items.

New: Optional Arm D & Clamp Frame
- Easily embroider on the side of a shoe, shoe tongue or even a backpack!

Overview

When it comes to powerful, multi-needle embroidery machines, Brother™ sets the standard with the Entrepreneur® PR655 advanced 6-needle home embroidery machine, the next generation of state-of-the-art multi-needle embroidery. Boasting an array of new and standard features and functions that make it the first word in multi-needle embroidery for profit-minded professionals and passionate hobbyists alike. The PR655 offers everything you need to take your embroidery projects to the next level. The PR655 combines easy-to-use features with innovative technology to deliver an affordable yet feature-packed multi-needle machine for embroidery enthusiasts and budding entrepreneurs.
