The *Entrepreneur*™ Has Arrived

Cap frame sold separately.

Introducing the new Entrepreneur™ PR-650 embroidery machine— the next step in starting a home-based embroidery business.

The Entrepreneur™ PR-650 incorporates all the user-friendly functions of a Brother® home embroidery machine with the versatility, speed and professional finish of a commercial model. It gives you power and technology yet is incredibly easy to use—and is perfect for starting your own home-based embroidery business.

WIDE ANGLE HD LCD DISPLAY BY SHARP CORPORATION

LARGE FULL COLOR 4.5" X 7" HD LCD TOUCH SCREEN FROM SHARP CORPORATION
Easily edit and see your entire embroidery creation on a single screen with 160° horizontal and 140° vertical visibility range. Intuitive commands and a built-in Quick Reference Guide make the control panel easy to use and quick to learn.

TOUCH SCREEN TECHNOLOGY EXPANDS RESPONSIVENESS
Touch the screen to make selections or move motifs quickly and reliably. Zoom key instantly shows results of your actions.

CUSTOMIZE DESIGNS ON SCREEN
Powerful customizing capabilities include arranging text, pattern rotation one-degree increments, changing design size and the ability to combine designs and add lettering to your designs.

EXPANDED SOFTWARE MAKES EDITING DESIGNS EVEN EASIER
• Customizable screen saver • Improved on-screen design movement • Thread marking capabilities for matching borders and split designs • Machine threading in any screen • Thread sensor on/off feature • Monochromatic feature for uninterrupted embroidery using a single color • Easy design duplication in any direction • Appliqué function • Virtually instantaneous processing—3x faster • 300 color palette

Entrepreneur™ PR-650 Home Embroidery Machine

3 USB PORTS
New high speed port for faster design transfers from your USB memory stick and USB external hard drive*. A second port for machine peripherals. A third port for computer connectivity and future upgrades.

IMPROVED LIGHTING DURING EMBROIDERY
The on/off button on the control panel allows for greater control of light while embroidering.

EASY EMBROIDERING WITH 6 NEEDLES
Embroider multicolor designs quickly and easily with 6 different thread spools. This helps you embroider faster and increase production capability.

CYLINDER ARM
The cylinder arm makes it easier than ever to embroider items such as caps, tote bags, sleeves, pant legs, shirt pockets and socks.

TOUCH PEN
Use the included touch pen to make on-screen selections. When not in use, store the touch pen in the convenient holder.

INCLUDED IN THE BOX
One of each of the following hoops:
300mm x 200mm (approx. 12" x 8"),
180mm x 130mm (approx. 7" x 5"),
100mm x 100mm (approx. 4" x 4"),
60mm x 40 mm (approx. 2" x 1.5")

A toolkit supplied with screwdrivers, scissors, touch pen, tweezers, cleaning brush, seam ripper, needle threading tool, replacement needles, oil and USB cable.

BUILT-IN DESIGN AND FONTS
• 14 sample embroidery designs
• 25 size-adjustable embroidery alphanumeric fonts
• Greek, appliqué, floral and Renaissance alphabet designs
• 3 monogramming font styles and 15 coordinating accents
• 10 frame designs
• BONUS! 60 additional designs on included USB memory stick

300MM X 200MM (APPROX. 12" X 8") EMBROIDERY AREA
Conveniently fill the whole area at one time without re-framing. Use one oversized design or use the edit function to combine embroidery fonts, frames and designs.

INDIVIDUAL STITCH BACKUP
Back up through designs by individual stitches, color blocks or groups of 100 stitches.

DESIGN MEMORY RETENTION
Your designs are retained in memory after the machine is shut off.

BUILT-IN THREAD COLOR INFORMATION
Wide selection of built-in thread color information makes it easy to program the appropriate colors.

AUTOMATIC NEEDLE THREADING
Upper thread passes through the eye of each needle easily with a touch of a button.

AUTOMATIC COLOR CHANGING AND THREAD TRIMMER
The automatic color change feature allows you to pre-program the correct thread color sequence for the entire design. The upper and lower automatic thread trimmers mean no time-consuming trimming after the embroidery is complete.

7 EMBROIDERY HOOP CONNECTION SENSORS
Quick connect and release for standard flat hoops, hat frame or cylinder frame.

EIGHT-SIDED DESIGN TRACE
Automatic, eight-sided design trace gives you more accurate design placement. A feature exclusive to Brother®.

THREAD SENSOR
Detects when the upper thread and bobbin thread runs out or breaks.

THREAD WIPER
Pulls the thread tail back and out of the way for embroidery sewing.

EMBROIDERY SPEED UP TO 1000 STITCHES PER MINUTE
Saves time when embroidering large projects, lower speed for specialty threads.
