

5234PRW SEGER

Inspire Your Fashion Sense

Features of the 5234PRW Serger

- **2/3/4 thread (1 or 2 needles)**
Multiple thread options allow you to easily convert between 2, 3, or 4 thread stitches for professional finishes.
- **Easy one-touch needle threading for two needles**
Easy-to-use in either needle position and easy on the eyes and fingers.
- **Two stitch fingers**
Adjust thread tightness for precise stitches on varying fabric thickness.
- **Bright work area**
Dual level bright LED lighting helps reduce eye strain.
- **Removable trim trap**
Collects fabric as the adjustable serger knife trims and serges.
- **Presser foot pressure adjustment dial**
Change settings to accommodate varying fabric thicknesses.
- **Differential feed ratio of 0.7 to 2.0**
Helps improve stitch quality on all types of fabric and acts as the tool for custom lettuce edge finishes on specialty fabrics.
- **Color-coded thread guides**
Allows for easy upper and lower looper threading and quick thread changes with all thread types.
- **Up to 1,300 stitches per minute**
Helps save time when sewing and completing serged edges.
- **Free-arm serging**
Removable table section makes serging cylindrical pieces quick and easy.

**Included Large
Extension Table**
Expands work area and
makes for greater fabric
control while overlocking.

Innov-ís 40 and Innov-ís 80

Computerized Sewing

Sewing for the Designer in You

Features of the Innov-ís 40 and Innov-ís 80

- **40 built-in stitches, including 5 one-step automatic buttonhole styles**
Wide variety of utility, decorative stitches and buttonhole styles.
- **Super wide stitch selection**
More variety with each stitch, select up to 7mm in stitch width.
- **Easy-to-read back-lit LCD display**
View your stitch selection and information regarding the length and width of stitches.
- **Fast and easy threading with Quick-Set™ bobbin winding system**
Simply insert your bobbin, pull the thread through the slot and you are ready to sew. No more "fishing" for bobbin thread.
- **Advanced needle threading system**
Helps reduce wear and tear on your eyes. No more searching for the eye of the needle.
- **Bright LED-lit work area**
Helps minimize eye strain so you can better view your projects.

Innov-ís 80 also includes these great features:

- **40 additional built-in stitches including 5 one-step automatic buttonhole styles**
Even more variety!
- **55 alphanumeric characters**
55 characters help create monogramming or letter sewing easily.
- **Easy stitch selection via 10 digit pad**
Select desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information on the back-lit LCD display.
- **Ability to combine stitches for greater creativity**
Combine up to 35 stitches into a favorite pattern, repeat patterns and create mirror images of stitches.
- **3 memory pockets**
Save your favorite stitches for future use.
- **Protective hard cover included**
