The MFC-7000 Series

Compact and affordable, ideal for any desktop or small office

The MFC-7440N and MFC-7840W compact monochrome laser all-in-ones from Brother® are outstanding space-saving solutions for busy small businesses and home offices.

Combining high-quality laser printing, copying, color scanning and faxing into a single device,

these all-in-ones can help enhance the productivity of any office with their crisp output, comprehensive features and reliable performance.

In addition, their attractive acquisition and low running costs are sure to keep your accountant and your office equipment budget on target, too.

35-page Auto-Document Feeder Capacity

Copy or scan multi-page documents easily

Fold-Out Rear Output Tray

Allows for straight through paper path for envelopes or thicker media

Flatbed Copying & Scanning

Convenient for walk-up copying and scanning

Built-in Ethernet & USB Interfaces

Flexible connectivity

High-Yield Replacement Toner Cartridge Available
Helps keep running costs low

High-Quality Output

Up to HQ1200 printing (2400 x 600 dpi)

250-Sheet Paper Capacity
Holds letter or legal size paper

The features you need.

Great office performance and versatility

With either the MFC-7440N or the MFC-7840W, you'll get a powerful all-in-one that can handle virtually any of your office tasks while gaining a reliable office assistant that can help you take your business to the next level.

- **Fast monochrome laser printing** – Crisp, rich black output at up to 23ppm and up to HQ1200 (2400 x 600 dpi) resolution.
- **Flexible paper-handling** – Both models come equipped with an adjustable 250-sheet capacity paper tray, single-sheet bypass slot and 35-page capacity auto document feeder. Together these can help you tackle many common office tasks quickly and easily.
- **Rapid monochrome laser copying** – No PC required ... use the flatbed glass or the auto document feeder for quick copies at up to 23cpm.
- **Color scanning** – High resolution scanning, plus a variety of scan-to features such as scan-to-E-mail, scan-to-image, scan-to-OCR, scan-to-file and scan-to-FTP.

MFC-7440N Compact Network-Ready Laser All-In-One

The MFC-7440N offers fast, razor-sharp monochrome laser output. It delivers fast print and copy speeds, letter-size flatbed copying and scanning, and 35-page auto-document feeder capacity for handling multi-page documents. This all-in-one also includes 250-sheet paper capacity that can handle either letter or legal size paper. Additionally, it also has a single-sheet bypass slot for envelopes or letterhead, plus a rear output tray for a straight paper path, ideal when using the bypass slot for printing on envelopes and thicker media.

The MFC-7440N also gives you the flexibility to connect either locally via USB^{††} or to a network using its built-in Ethernet network interface.

MFC-7840W Wireless-Ready Laser All-In-One

In addition to its elegant black color scheme, the MFC-7840W includes all the features of the MFC-7440N plus it offers a number of enhancements that deliver even greater productivity to your workspace or workgroup.

The MFC-7840W includes PCL[®]6 and BR-Script 3[™] emulations, a fast 33.6K bps Super G3 Fax modem, 600-page fax memory storage*, 4-day memory back-up and a back-lit LCD display.

The MFC-7840W adds a built-in Wireless 802.11b/g interface for wireless printing, scanning and faxing. If you are using a wireless access point, wireless set up is made easy with Secure EasySetup[™], Wi-Fi Protected Setup[™] or AOSS[™] by just pressing a button on your router.
