Iron-on fabric appliqué contact sheet

**Tip** A small floral corsage can be created by forming two or three layers of petals and attaching a button or spangle at its center.

**1** Decide on the number and size of the corsages to be attached to the dress.

**2** Using an iron, attach iron-on fabric appliqué contact sheets to the backs of all cloth pieces.

Built-in Patterns: BO-A008 x 8  
AR-A020 (L x 2, M x 28, S x 7)

**3** Form pleats in each cloth piece used for the border, shortening its length by about half.

**4** Curl each piece from step 3 so that it resembles flower petals, then sew together to maintain its shape.

**5** Use needle and thread to sew a button at the center of each medium-size flower-petal piece cut using built-in pattern AR-A020 in step 2.

**6** Use fabric glue to attach the medium-size flower-petal pieces made using built-in pattern AR-A020 to the backs of each finished flower, then use fabric glue to attach the finished decorations to the dress.
