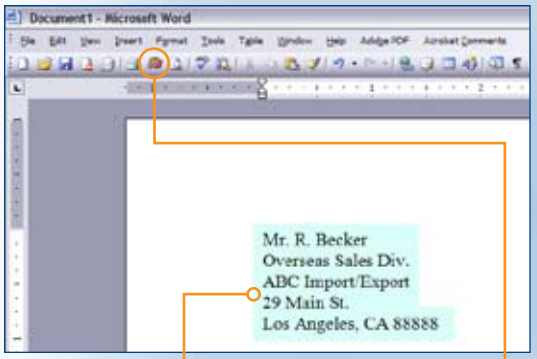
ONAL LABEL PRINTER

USES EASY TO MAINTAIN DK TAPE DK LABEL DROP-IN ROLLS

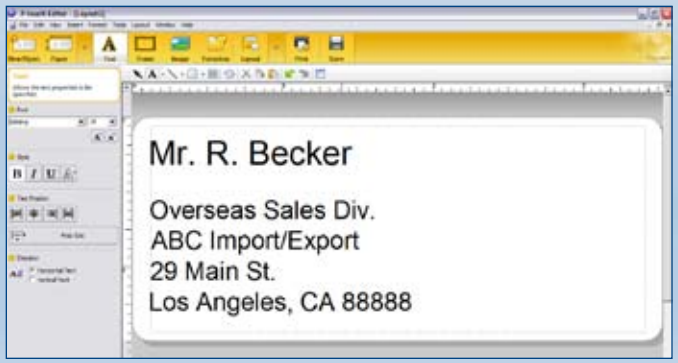
POWERFUL AND USER-FRIENDLY P-TOUCH® EDITOR V.5 LABEL CREATION SOFTWARE

Create labels using information stored in Microsoft® Word®, Excel® and Outlook®



OR

Using the included powerful, yet easy to use, label creation software allows you to get creative and design your own label



HIGHLIGHT: select the text from your document.

CLICK: on the add-in button on the toolbar to pull the data into the label creation software.

PRINT: your label right away or edit as desired.

3 INPUT LEVELS IN THE LABEL CREATION SOFTWARE:

1. **SNAP FUNCTION:** Allows for screen capture to be easily incorporated in label design with a press of the button.
2. **EXPRESS MODE:** This mode is perfect for the beginner or for creating labels quickly. (shown in picture above)
3. **PROFESSIONAL MODE:** Create sophisticated label designs in this mode or for the expert label designer.

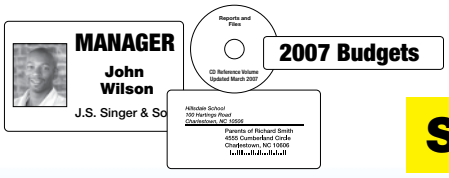
FEATURES:

EASY DROP-IN LABEL AND TAPE ROLLS

The Brother QL-570 Label Printer uses easy drop-in rolls so you can switch label types in seconds. The machine automatically senses which roll you have in and adjusts your on-screen template to the correct size.

WIDE RANGE OF HIGH QUALITY SUPPLIES

There is a wide range of cost effective, crisp white paper labels for your envelopes, packages, file folders, name badges, files and more. For added durability, use our durable film labels for your CD/DVDs or for creating customized signage on demand. Once printed - it is easy to peel and apply your label.



Die-Cut (Pre-sized) Labels are cut into common label shapes such as address labels, shipping labels, CD/DVD labels and file folder labels.

SALES REPORTS

Continuous Tapes allow you to determine the length of the label. Great for labeling long packages, binders or creating cost effective signange on demand.
