

Meeting Attendee

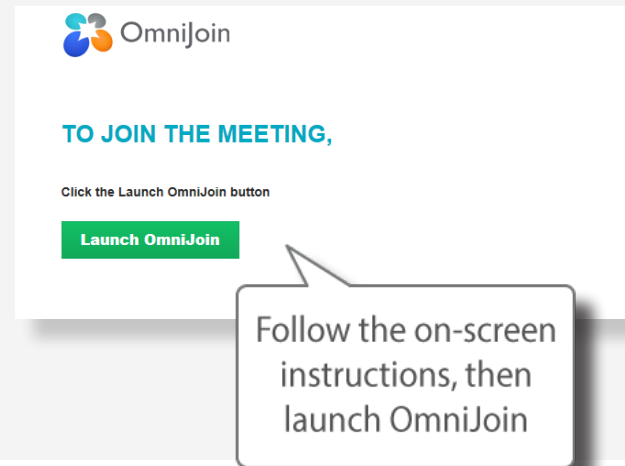

1

It's easy to join an OmniJoin™ meeting! You'll need to run a small installer program to get started.

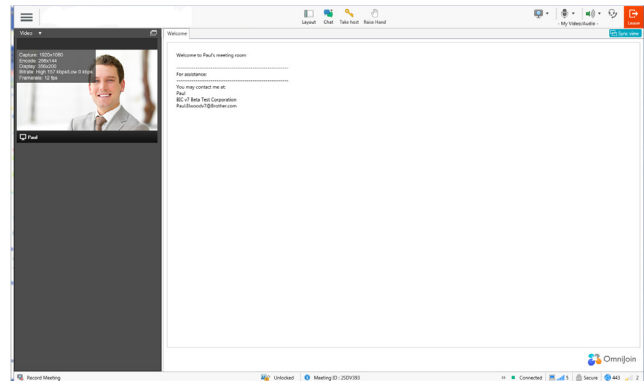

2

Simply click the “Launch OmniJoin” button when prompted.

3

Welcome to your OmniJoin™ meeting room! There are a number of exciting features purpose-built to make your meetings more comfortable and productive.

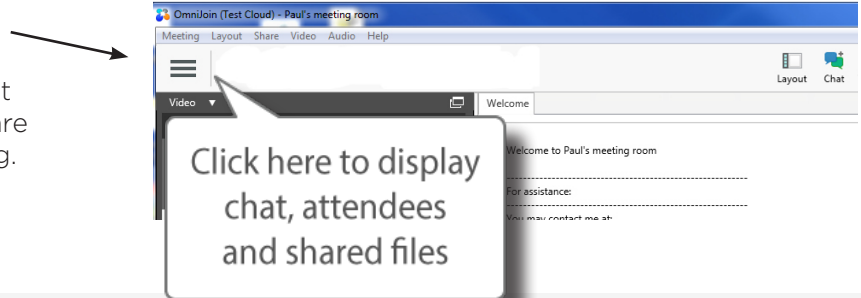

Meeting Attendee

4

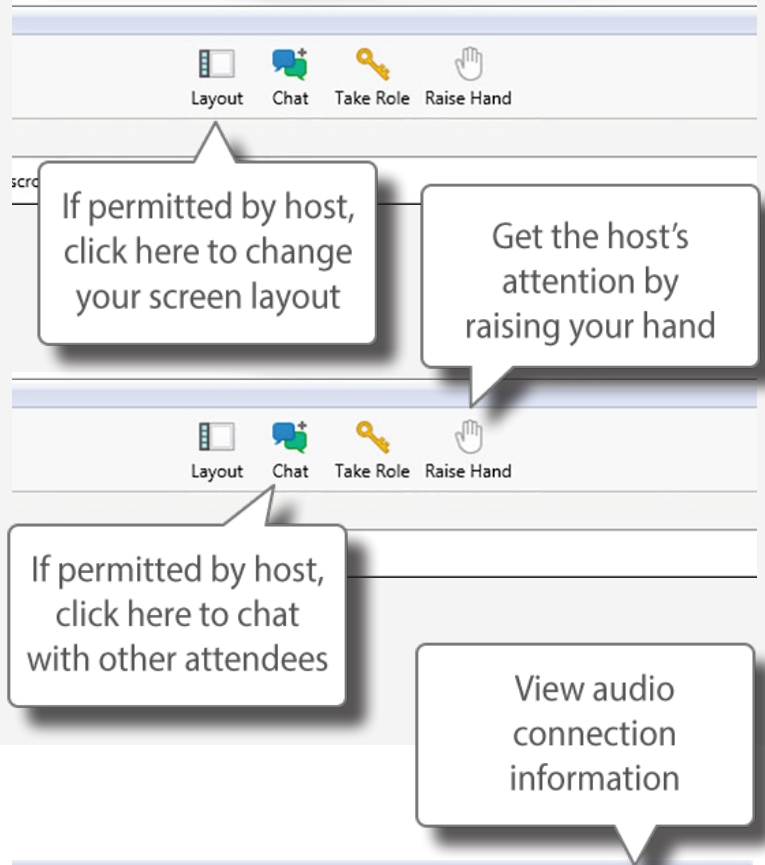

Clicking this button shows or hides the list of meeting attendees, the meeting chat window and any files that are being shared in the meeting.

5

Use these icons to:

- Change layout
- Chat with other attendees
- Raise your hand
- Take host privileges if necessary

6

You can adjust your own video and audio settings by clicking here:

- Mute your speakers or microphone
- Pause video
- Stop video
