HL-3140cw
Digital Color Printer with Wireless Networking

If you're looking for a fast, reliable digital color printer for your small business, the Brother HL-3140cw may be exactly what you need. It takes big business features and packs them into an affordable, compact printer designed to fit your small business budget and workspace. This printer produces high-impact color and crisp black documents at up to 19ppm, so it's ideal for the business that primarily prints black business documents, but also needs to periodically produce professional-quality color documents in-house.

▼ From Ready mode and standard tray.

∞ Maximum capacity based on using 20 lb. paper.

‡ Windows Only.

✦ Additional purchase required.

◊ Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

▢ Requires connection to a wireless network. See www.brother.com for more details, availability and mobile device compatibility.

▪ The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

^ Approximate yield in accordance with ISO/IEC 19798 (Letter/A4).

** Drum yield is approximate and may vary based on type of use.

^^ Approximate yield based on A4 or Letter size single-sided pages.

‡ USB cable not included
