Sewing Instructions

Creating an Appliqué: Block One

1. Hoop the first coordinating fabric square with medium tear away. Place one of the solid pieces on top of the hooped **not hoop**.
2. Select Embroidery Edit/Disney.
3. Select Mickey menu.
4. Select Pg. 3, Row 3, Design 2. Touch **SET**.
5. Touch **ADD**. Select Disney category/Mickey menu.
6. Select Pg 3, Row 3, Design 3.Touch **SET**.
7. Using the arrows, position side by side.
8. Touch **SEWING**.
9. Select the **APPLIQUE** feature.
10. Follow color sequence on screen and stitch appliqué.

Creating an Appliqué with a Shape: Block Two

11. Repeat steps 1-3, using the second piece of coordinated fabric and second piece of solid fabric square.
12. Select Pg. 1, Row 2, Design 2. Touch **SET**.
13. Touch **ADD**.
14. Select the octagon shape and a straight stitch.
15. Size the shape to 3.08 in the same ratio.
16. Close screen. Touch **SEWING**.
17. Select the **APPLIQUE** icon.
18. The appliqué will follow the outline of the octagon shape.

Projects > 4 Ways to Appliqué Disney Wall Hanging

19. The straight stitch will have to be removed. Use the “select” arrow keys until the black stitching inside the appliqué is highlighted and touch **DELETE**.
20. Now you have a Minnie Mouse appliqué in an octagon shape.

Creating an Appliqué with a Shape, Using a Double Frame: Block Three

21. Repeat steps 1-3, using the third piece of coordinated fabric and second piece of solid fabric square
22. Select Pg. 1, Row 2, Design 1. Touch **SET**.
23. Touch **ADD**.
24. Select the octagon shape and the satin stitch.
25. Touch **SET**.
26. Size to 3.33 vertical 3.32 horizontal. Color is black.
27. To change color – **CLOSE**
28. Select color icon.
29. Change to desired color. **CLOSE**.
30. Touch **ADD**. Go to **Shapes** category.
31. Select the octagon shape and satin stitch. Touch **SET**.
32. Resize to 3.65” equal ratio. Touch **CLOSE** and **SEWING**.
33. Select **APPLIQUE**.
34. Mickey is now inside a double satin stitch appliqué.
35. **Mickey Mouse Patch**
36. Repeat the steps for Block one, using Mickey Mouse Head. Place water soluble stabilizer in hoop, rather than the medium tear away stabilizer.
37. Once all the embroidery is done, trim the embroidered appliqué blocks to measure 5” square.

Projects > 4 Ways to Appliqué Disney Wall Hanging

- 38.** Sew one of the 3½" x 6" red polka dot strips to the first block. Repeat sewing strip to the embroidered squares until all pieces are sewn together. Strip-Block 1-Strip-Block 2-Strip-Block 3-Strip, trimming as you go. Press.
- 39.** Sew the long polka dot strips on top and bottom, trimming as you go. Press.
- 40.** For the tabs, sew the coordinating strips together lengthwise, using ¼" seam. Turn inside out. Press seam to the back.
- 41.** Fold the tabs in half, matching the ends.
- 42.** Sew the red polka dot single strip 2½" x 6", folding lengthwise. Turn inside out with the seam to the back. Press.
- 43.** Sew the appliqué patch to one end of the strip, hiding raw edge.
- 44.** Place the other end of the strip to the left side of the large piece. Sew in place.
- 45.** Cut lining to the size of the embroidered piece. Sew right sides together, leaving a 3" opening.
- 46.** Turn inside out. Press. Topstitch all four sides.
