DSmobile® 620

At under 12" long and weighing less than 1 lb., the DS-620 is perfect for the mobile professional on-the-go who needs a powerful scanner that will slide right into a briefcase or business bag. It's ideal for capturing business documents, receipts, business cards, laminated identification cards, invoices, photographs, and more. Its small size, USB power cord, and comprehensive suite of scanning software make it a great fit for home offices and desks with limited space, too!
