HL-2270_{DW} Compact Laser Printer with Wireless Networking and Duplex Printing

This compact, monochrome laser printer includes built-in wireless and Ethernet network interfaces for small office or home office printer sharing. Offering a fast print speed and automatic duplex capability, you can print professional-looking two-sided documents and booklets with ease. In addition, its stylish, space-saving design fits virtually anywhere and complements any environment. Affordable to own and operate, the HL-2270_{DW} uses a high-yield replacement toner cartridge* to help reduce your operating costs.
