

RESTAURANT SOLUTIONS FROM BROTHER

Labeling Solutions to Help Improve Operations and Address Safety Precaution Mandates

Brother is at your side with affordable, on-demand label printing solutions to help meet your restaurant labeling needs:

- Generate accurate, real-time labels on demand from a variety of devices / platforms for applications such as QR code menus, MRD labels, and more.
- Provide simple integration with your POS system using Brother software integration tools.
- Save time spent on handwritten labels.
- Ensure consistency and accuracy on every label.
- Help reduce food waste.
- Increase your operational efficiency.

Made-to-order food, in-store pickup, mobile orders, and deliveries have become a much larger part of the mix for restaurants. Generating accurate, real-time labels from a variety of devices and software platforms is a critical part of the equation.

QL-810W / QL-820NWB Label Printers

Ideal for: Food labeling, food delivery

Applications: Highlight allergen information; show use-by / best-before dates; display product pricing (including EAN-8 / EAN-12 barcodes); show order details, including address information for takeout

PRODUCT HIGHLIGHTS:

- Print clear, legible labels on demand
- Easily print receipts to place on delivery bags
- Improve productivity with high print speeds and flexible connectivity options
- Create labels up to three feet in length, with both black and red print, using the DK-2251 from your PC, Mac, iOS, or Android device

CUBE Plus PT-P710BT

Ideal for: Restaurant operations, retail

Applications: Menu QR codes, food packaging, retail signage, price labels, ID badges

PRODUCT HIGHLIGHTS:

- Design labels using your Smartphone, Tablet or PC
- Print personalized labels up to -1" (24mm)
- Lightweight and portable for use virtually anywhere
- Choose from 3 different applications to create just the labels you need
- Enjoy a wide selection of pre-designed templates, includes food labels and QR codes
- Select from a large assortment of labels tapes including premium tapes that are perfect for restaurant and food service

HELP IMPROVE ACCURACY, SAFETY, AND EFFICIENCY

Brother standard laminated TZe label tapes are waterproof and chemical resistant to help meet all of your restaurant labeling demands. They feature our strong adhesive, which is designed for flat surfaces like paper, file folders, and binders, and also most even non-textured metal, plastic, and glass surfaces.

There is a broad selection of DK labels and tapes, including the DK-2251 which makes amazing black and red labels. These labels are perfect for printing labels for receipts, food labels and more.
