- Prints on four label widths up to ~3/4" (18mm)
- Prints labels with up to five lines of text
- Convenient AC power adapter included
- Durable and laminated tapes withstand water, heat and fading

PT-P750W

Label Maker with Wireless Printing

- High print resolution for crisp barcode printing
- Create customized labels using fonts or graphics from your PC or Mac®
- Easy network sharing or connect to a single user via USB interface
- Durable and laminated tapes withstand water, heat and fading

QL-820NWB

High-speed, Professional Label Printer

- Create identification to be worn via label
- High print speeds and wireless connectivity options help improve productivity
- Print highly legible, customized labels on-the-fly
- Create labels with black and red print using DK-2251 – up to three feet in length, from PC, Mac, iOS or Android™ devices

HELP IMPROVE ACCURACY, SAFETY, AND EFFICIENCY

Brother standard laminated TZe label tapes are water resistant and chemical resistant to help meet all of your healthcare labeling demands. They feature our strong adhesive, which is designed for flat surfaces like paper, file folders, and binders, and also most even non-textured metal, plastic, and glass surfaces.

There is a broad selection of DK labels and tapes, including the DK-2251 which makes amazing black and red labels. These labels are perfect for printing labels for name badges, medical files, specimens, and more.
